In re Application of

Liang, et al.

Application No. 09/637,764

Filed: August 10, 2000

Attorney Docket No. 36912/CM/S61

DECISION ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed February 11, 2008, to revive the above-identified application.

The petition is **GRANTED**.

The above-cited application became abandoned for failure to file a timely appeal brief after the filing of a Notice of Appeal. A Notice of Appeal was filed on September 11, 2006. A timely appeal brief was not filed, and the application became abandoned on November 12, 2006. A Notice of Abandonment was mailed on October 1, 2007. A petition under 37 CFR 1.137(a) was filed on November 5, 2007, and dismissed by a decision mailed December 7, 2007.

Examiner William Neuder determined that the amendment filed February 11, 2008, places the application in condition for allowance. Petitioner is advised that the decision of December 7, 2007, indicated that a new declaration may be required to be filed with any amendment. It is noted that a new declaration did not accompany the petition. This is mentioned only as caution to petitioner that Examiner Neuder may require a declaration to be filed once the application is returned to the Technology Center.

The application file is being forwarded to Technology Center 3600, GAU 3672 for further processing.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3222.
